

Spreader Jumbo X45

Suitable for all types of spreading materials

Freilauber's Jumbo X45 spreader is ideal for fine and coarse compost, manure and also straw. Its filling capacity of 4m³ and width of 1.28m are an absolute first in this product class.

Important facts at a glance

- As standard: Tandem axle with brake cylinder
- Scraper floor and drums are oil-powered and can be controlled independently of each other
- Great discharge performance, tapering in conveying direction
- Can travel along lanes with widths of up to 1.60m
- Galvanised base frame
- Filling capacity: 4m³
- Width: 1,28 m

Extras

- A third drum, especially for straw, can be fitted
- Separate oil tank with PTO pump
